ORTHODONTIC SCHOLARSHIPS

This form can be scanned and emailed to
info@mcintoshdental.co.nz, posted, or dropped in to 43 Lincoln Road Henderson.

In 2018, McIntosh Dental will select four deserving students to receive a \$5,000 prize for orthodontic treatment.

What are the Orthodontic Scholarships?

The Orthodontic Scholarships are four prizes of \$5,000 towards orthodontic treatment at McIntosh Dental Centre. The prizes are awarded to four deserving students attending one of seven selected West Auckland schools. Students are nominated by friends, family, and members of the community. The four winners are selected by our scholarship committee including Dr Alex McIntosh and Dr Milan Raniga.

How does it work?

From the 1 August until the 31 August, we will be accepting applications for nominees (see application form on the back). After applications close the scholarship committee will select the finalists to attend McIntosh Dental for a complimentary orthodontic consultation. Following this consultation, the committee will select the scholarship winners at the end of September 2018. The winners will each receive a prize of \$5,000 towards orthodontic treatment at McIntosh Dental. See the full terms and conditions for more information.

Dr Milan Raniga

Dr Alex McIntosh

Who is eligible to enter?

For 2018, all students from year 7 to year 13 currently enrolled at **St Dominic's College (Henderson)**, **Liston College**, **ACG Sunderland, Massey High School, Henderson High School, Rutherford College, and Waitakere College** are eligible to be nominated.

What are we looking for in a nominee?

We are looking for deserving students who would benefit greatly from orthodontic treatment. In particular, we are looking for achievers. To assist our committees decision, you can provide information on the nomination form about any of the following:

- Achievement in the arts or in the sporting arena
- Academic achievements
- Community involvement

Ideally, the nominee will excel in at least one of these key areas.

How do I nominate someone?

Visit mcintoshdental.co.nz/scholarship to nominate a student online, or fill out the form on the back of this brochure. This form can be scanned and emailed, posted, or dropped in to the practice at 43 Lincoln Road Henderson.

Who can nominate a student?

Parents, guardians, whanau, teachers, other students and peers of the nominee are all welcome to submit nominations.

What information should I include in the nomination?

Include everything! The more great stuff you tell us about your nominee, the better their chances of being selected for the scholarship. In the last box labelled "TELL US ANYTHING ELSE THAT WILL HELP" make sure you include anything you think is important for us to know about this nominee's circumstances. Students that have been nominated by more than one person have a better chance of being selected, so spread the word and get nominating!

Please read the terms and conditions on our website before nominating.

Good luck!
